BENEFITING SERVE & CONNECT

Join us for a weekend full of mud and fun at Crawling for Cops, hosted by SC State Senator Brian Adams! From June 14th to June 16th, we invite you to join us in Laurens, SC, for a fantastic event that supports our law enforcement officers in a meaningful way.

“Working with Serve and Connect is a way that I, as a retired Law Enforcement Officer and now State Senator, can help our officers in our state supporting them in many ways.”

Senator Brian Adams's life is a testament to service, with a remarkable resume that includes volunteering as a fireman at Caromi Village Fire Department, serving as a first responder with Berkeley County EMS, and dedicating years to protecting his community as a retired North Charleston police officer.
